### Benefits of a Nursing Degree

The Mission of the Department of Nursing at Nashua Community College (NCC) is to provide an inclusive program for students to earn an Associate in Science Degree in Nursing.

The program will offer preparation to take the licensing exam (NCLEX-RN) to become Registered Nurses, for employment in entry-level positions in nursing, and for further education and professional development.

The faculty and staff of Nashua Community College and its Nursing Program are facilitating the education of the next generation of nurses.

Our career-experienced faculty supports the student's development through comprehensive classroom instruction, in-depth scenarios in a state-of-the-art simulation lab, and purposeful clinical placements that integrate theory and practice for optimal learning
